

**Minutes of a meeting of the
FINANCE, PLANNING & ADMINISTRATION COMMITTEE OF RAINFORD PARISH COUNCIL
held in the Council Chamber at Rainford Village Hall on Wednesday 12 April 2023 at 6.30pm**

Present: Councillors: Bardsley (arrived 7.01pm), Lee, Long (Chairman), Stockton-Pugh

Absent: Councillor Griffiths

In Attendance: Sally Powell (Clerk)

1. Apologies:

Councillor Bardsley (Business), Councillor Bimpson (Family)

2. Approval of the minutes of the meeting held on 08 March 2023:

The Minutes of the meeting held on 08 February 2023 were agreed as a true and accurate record, proposed by Councillor Stockton-Pugh, seconded by Councillor Long and carried unanimously.

Action: The Clerk

3. Plans:

The following applications have been granted:

*P/2022/0607/HHFP Two storey side extension and two storey rear extension following demolition of existing side extension (Resubmission)
54 Lathom Drive, Rainford*

*P/2023/0019/HHFP Two storey side extension and garage conversion
24 Lakeside Gardens, Rainford*

*P/2023/0045/FUL Siting of Storage Container
All Saints Parish Church Hall, Church Road, Rainford*

*P/2023/0077/HHFP Two storey side extension with single storey front extension to form porch
19 Mossborough Road, Rainford*

*P/2023/0086/HHFP Proposed first floor side extension and tiled roof to existing garage and porch
22 Harrison Drive, Rainford*

The following plans have been refused:

*P/2023/0044/HHFP Single Storey rear extension
Higher Lane Barn, Higher Lane, Rainford*

The application was considered over development of the original property and additionally no very special circumstances had been cited for building on the green belt

New Applications:

*P/2023/0148/TPO Works to various trees covered by a Tree Preservation Order
1 & 3 Kenway, Rainford*

*P/2023/0176/FUL Construction of a replacement dwelling, leisure building, garage and
2 commercial buildings
Fire Clay Farm, Higher Lane, Rainford*

There was a discussion regarding this application. It was considered that the plans submitted are over development of the site. The track from Higher Lane to the plot is very narrow. Additionally, the leisure building is out of proportion to the dwelling. Also, the height of the proposed barns is higher than the current ridge height of the existing outbuildings. The Clerk was asked to submit an objection to this application which is on the green belt.

Action: The Clerk

*P/2023/0178/HHFP Erection of a part two storey part single storey rear extension, loft
conversion with rear dormer and balcony, and front porch with

extension

Additional documents have been submitted for:

*P/2022/0461/FUL The erection of 338 (305) dwellings with associated access, public
open space, sustainable urban drainage systems and other
infrastructure.*

Land Opposite 55 To 85 Rookery Lane Rainford St Helens

NHS Cheshire and Merseyside ICB has submitted a document stating that without the mitigation of extending the Health Centre on Higher Lane at a cost to the developer of circa £250,000, the development would not comply with:

Policies LPA07 and LPA12 of the St Helens Local Plan

Paragraphs 55 to 58 of the NPPF

Planning practice guidance on Planning Obligations

4. Clerk's Report:

The following report was circulated with the agenda. Additions are in italics.

- i. The meeting to prioritise the items on the Condition Report for the Village Hall has not yet taken place. This has been requested. Councillor Long asked for up-to-date information. The meeting has still not been arranged, but a further report has been received from the Estates Department. This is a separate agenda item.
- ii. A local organisation may wish to use the land at the rear of the Village Hall, which would alter the negotiations for the lease renewal. The organisation is also looking at the possibility of using the library building and building on the land behind the Golden lion.
- iii. The rear doors in the Main Hall have not yet been replaced. This has been chased, and

- the work will be completed in April 2023.
- iv. The deadline for the application from Miller Homes has been extended to 09.04.2023 and the applicants have submitted revised documents. The Parish Council's further comments have been submitted. *The deadline for applications has been further increased to 09.06.2023. The Clerk was asked to enquire why and how the deadline had been extended 3 times for this application.*
Action: The Clerk
 - v. The Annual meeting of the Parish Council will take place on Friday 19.05.2023 at 6pm and will be followed by the new Chairman's evening. The Annual Parish Meeting will take place on Monday 22.05.2023 at 6pm and will be followed by the ordinary Council meeting for May 2023. Efforts are being made to encourage residents to attend, particularly the Annual Parish Meeting.
 - vi. The Eurovision Night Event is being advertised and almost 100 tickets have been sold so far.
 - vii. The main caretaker remains on sick leave and is currently due back at work on 11.04.2023.
 - viii. Gas quotes have been sought as the contract is due for renewal soon. The FPA committee considered that a fixed term agreement was not appropriate at the moment, but a variable tariff would be better given the current circumstances. Quotes are being sought.
 - ix. Access to the Green book online has been obtained.
 - x. The Coronation Dinner has been planned and advertised. Nearly 80 tickets have been sold so far. There will be a formal toast to the King and there will be a picture of him in the hall.
 - xi. The information, documentation and instructions for the Annual Governance And Review for the financial year 2022/23 have been received.
 - xii. The Liverpool Combined Authority has recently been given the power to improve bus services by reforming the current bus market. In response to these additional powers, it has undertaken a detailed assessment of the options available and would like to consult with as many residents as possible. Planned meetings/events from the 15th May – 3rd August 2023 were requested, where representatives could attend or send information to raise awareness about Bus Reform. It has been suggested that the Annual Parish Meeting would be an appropriate forum to consult with residents. Attendance at this meeting has not yet been confirmed.
 - xiii. A Letter had been received from Frodshams Solicitors informing the Parish Council that it would be receiving a legacy from Annie Lawson's estate. Frodshams subsequently informed me that the legacy was for the Parish Church, not the Parish Council.
 - xiv. Information regarding Health & Safety training for Councillors has been received.
 - xv. The costs for call outs via the security system on the Village Hall is increasing by 12.5%.
 - xvi. Rainford in Bloom has been nominated for a King's Award for Voluntary Service.
 - xvii. A quote for solar panels on the Village Hall has been obtained. There are various options. *There was a discussion. The Clerk was asked to find out if St Helens Council would allow solar panels to be installed on the Village Hall, before grants are sought towards the cost.*
 - xviii. *An appointment with the Internal Auditor has been made for 27.04.2023.*
 - xix. *The first instalment of the precept is due for processing on 12.04.2023 - £40333.87*
 - xx. *A Neighbourhood Planning workshop is being organised for all Parish Councillors in the Borough who wish to attend. A date has not yet been set for this.*

Receipts £ 17,768

Bank balances @ 31.03.2023:

Current Account: £4,316 Business Account: £47,653 Christmas Fayre Account: £3,375

Action: The Clerk

6. Village Hall Repairs and Terms for the New Lease:

- i. The annotated physical condition survey received from Paula Blellock was considered. It was agreed that, where possible, essential repairs should be scheduled. The report strongly recommended a drone survey for the roof of the building. The Clerk was asked to find out if the cost of such a survey would be covered by St Helens Council, and if not, how much it would cost.
- ii. Additionally, the Clerk was asked to get a quote for the redecoration of the landing.
- iii. The Village Hall Improvement Working Party will consider an appropriate priority order for repairs and redecoration.
- iv. The wooden wheatsheaf on the lawn at the front of the Village Hall has rotted. It could possibly be replaced by a flower bed. The Clerk was asked to get a quote for having it removed.

Action: The Clerk

7. Financial Year End 2022/23:

The Clerk informed the meeting that the end of year accounts are currently being prepared and that the Internal Auditor will be visiting on 27.04.2023.

Action: The Clerk

8. The Marquee at the Golden Lion:

The application for a marquee was granted temporary permission under P/2020/0842/FUL. This was however, a temporary permission which has now expired. If an enforcement complaint is submitted, then the planning department would investigate, and the pub would then have to re-apply to authorise the marquee or remove the marquee completely.

There was a short discussion and it was the feeling of the meeting that the planning department should be pro-active and it should not be necessary to make a formal complaint before enforcement takes place.

9. Gas Renewal Quotes:

This item was not considered.

There being no other business, the meeting closed at 7.14pm
